- West Residential Village:** Brunel House, Clifton Hill House, Deans Court, Goldney Hall, Harbour Court, Manor Hall, Queen's Road, Richmond Terrace, Winkworth House, Woodland Court

Bristol Unibus U1 and U2 services

Bristol is a great city to get around by bus. And to make it even easier for students, we've teamed up with First to run Bristol Unibus, a network of fast and frequent services linking our main Clifton campus with University Residences and the city centre (U1), and with the Bristol Veterinary School at Langford (U2). Undergraduates in University-allocated accommodation get a pass for free travel for the academic year on the U1 and four other First services in Bristol, while all students at the Vet School get a free pass for unlimited year-round travel on the U2.

All students can take advantage of other great value ticket options for Unibus and other services across the Bristol area. You can download the First mTicket app to your phone by searching 'First mTickets' in your app store. If eligible, you'll receive a voucher code before the start of term so you can download a Bristol Unibus pass free of charge.
