4.1 It was noted that any completed items would be removed from the register.

4.2 It was noted that the Chair took Chair’s Action on behalf of the Board on 13 March 2020 in relation to changes in Easter vacation dates for students and additional Easter closure days for staff, on the recommendation of the Vice-Chancellor.

5 VICE-CHANCELLOR’S REPORT AND QUESTIONS (reference BT/19-20/045)
5.1 RECEIVED the report of the Vice-Chancellor.
5.2 The Vice Chancellor updated the Board in relation to the COVID 19 pandemic and the Board NOTED the University’s priorities, work with the Russell Group, UUK and government and the status of the pandemic as at 31 March 2020.

5.3 The following points were NOTED:

5.3.1 The scenario planning and stress testing, the summary of the current financial position and the likely financial impact under different scenarios and assumptions

5.3.2 The key recent recommendations made by the Gold Team and the Vice-Chancellor in relation to teaching and assessment changes, subject to Ordinance 17 (items 6 & 7 below)

5.3.3 The likely impact on the 2020–21 admissions cycle, including the potential for increased deferrals, grade inflation and the difficulties in robust modelling. The recent discussion of re-introduction of Student Number Controls (SNC) which may limit the University’s ambition in home undergraduate recruitment.

5.3.4 [REDACTED: likely to prejudice commercial interests].

5.3.5 The potential to delay the start of the 2020-21 academic year to November 2020 or January 2021 start dates.

5.3.6 Engagement with relevant government departments and the change in approach from regulators, particularly the Office for Students.

5.3.7 The work underway with the Home Office and the British Council to support international students and staff with visa extensions, facilitation of distance learning and flexibility around English language requirements

5.3.8 The University’s contribution to Covid-19 research, and the wider contribution to the national and local effort. Examples included work on a vaccine, early graduation of medical students, advising government, free car parking for NHS front line staff and repurposing of accommodation.

5.3.9 The key role of Universities to the economic health and recovery of the country, particularly the research and innovation capacity of Russell Group (RG) Universities

5.3.10 Provision of support to staff and students to transition to online engagement and the development of expectations for digital collegiality.

5.3.11 The progress of transition to online delivery of teaching and assessment for term 3 and progress in relation to the 2020-21 online offer. The University would be engaging the services of Open Educational Services for the next academic year and then considering providers for the medium to long term.

5.4 The following points were DISCUSSED:

5.4.1 Work with peer institutions through the RG and the ambition to move in tandem with the RG on key decisions.

5.4.2 The potential reintroduction of SNC and the varying risk of this approach to institutions. The RG position that SNC were not the right way to address threats to student numbers, and their recommendation that national funding should be made available to institutions to bridge them through the pandemic with careful consideration of viability of some institutions going forward.

5.4.3 The need for appropriately timed local and national activity to build confidence in the UK as a welcoming and safe destination for international students. The ongoing work with agents in China in relation to communication and potential market incentives.

5.4.4 The opportunities to work with Alumni to support the University’s effort. Trustees recommended that the University consider any good practice, with particular reference to the US.

5.4.5 The safety net position in relation to student assessment and recent communication with students.

5.4.6 The likely impact on research and research funding and the uncertain position in relation to charity and smaller funders.
5.4.7 The opportunity for Temple Quarter to support local economic recovery, access infrastructure funding and grow digital resilience capacity.

5.4.8 The ability for Higher Education Institutions to access the furlough scheme and the need for further clarification around public funding.

5.4.9 The position in relation to TSS assignments which had ended early. The Executive confirmed that these staff would be considered for furlough and that support was being provided where possible.

5.4.10 The importance of the University’s civic mission at this time and the co-ordination of requests from NHS and City groups.

5.4.11 The transition to online education and associated student support, including additional laptop loan and financial support to enable access to online learning. The need to support international students who may experience restrictions or risk in relation to internet use. The Executive confirmed use of a VPN service for students e.g. in China. Trustees requested more detailed information about online education be shared outside the meeting.

ACTION: Head of Governance

5.4.12 The likely impact on the graduate job market, which may provide an opportunity to home PGT recruitment. The Executive confirmed that the Careers Service would provide additional support for graduates.

5.4.13 Trustees sought further information in relation to the University’s financial position [REDACTED: likely to prejudice commercial interests].

5.4.14 Trustees noted the importance of taking tough decisions now in order to position the University well in the future.
