A: Unfortunately, due to the volume of applications we cannot provide feedback at the application stage. We are able to provide feedback to applicants after interviews.

Q: When will I hear back on whether my application has been successful?

A: By the end of Friday 30 May, you will hear whether or not your application will be taken forward to the second stage. The second stage is the shortlisting of applicants to interview. You will be advised if you have been selected for interview by 2pm on Thursday 12 June. Interviews will take place in Bristol, in person, in the afternoon on Wednesday 25 June 2025.

Q: Is it essential to be able to attend Board of Trustee meetings in person or is online participation possible, at least for some meetings?

A: The expectation is that where meetings are held face to face and this is the intention for all the meetings in 2025/26, members are expected to travel to attend in person. As the dates are set in advance, members typically only send apologies where unexpected circumstances occur. If you are studying away from Bristol in 2025/26 but will be returning to Bristol for subsequent academic years, you could consider applying for those instead. We run recruitment each year because the student trustee terms of office are 1 year long.
