## Admissions criteria

<b>Academic requirements</b>	Applicants must hold/achieve a minimum of; an upper second-class (or exceptionally, a lower second-class) honours degree (or international equivalent) in a relevant subject (eg a biological, health or related science subject, medicine or psychology).
	For information on international equivalent qualifications, please refer to our <a href="#">International Office website</a> .
<b>English language requirements</b>	Profile E All applicants are required to have reached the required profile level of English language as specified by the <a href="#">University's English Language Requirements Policy</a> prior to registration on to this programme.
<b>Non-standard applications</b>	We welcome applications from those with non-standard qualifications who can demonstrate knowledge, experience and skills developed in the workplace, or elsewhere, relevant to the programme of study. Please use your personal statement to provide further details. Non-standard applications will be considered by the Admissions Tutor(s) for the programme, on a case by case basis.

## Application process

### Online application form

Applicants should complete the online application form, uploading all required documents directly. Further information is available on our [guidance for online applications page](#)

Applications will not be considered until **all** required documents have been uploaded. If you have already submitted an application, you can upload additional documents into the 'Post-submission uploads' section of the application form. Paper documents received by post, or electronic documents received by email, are only considered in exceptional circumstances.

### Required and optional documents

✓	<b>Two academic references (minimum):</b>	References should be submitted electronically by the referee, using the online reference form. Alternatively, scanned copies of the original reference document(s) can be uploaded by the applicant. If you graduated more than two years ago, or if professional experience is relevant to the application, professional references will be accepted in lieu of one academic reference. At least one referee should be familiar with the applicant's academic work. References supplied with a personal contact email address will be accepted in exceptional circumstances, which must be explained within the reference. All references must be written, signed and dated on official letter headed paper from the referee's organisation. They must include the referee's full contact details, i.e. postal address, telephone number and organisation email address and must be dated within the last two years. A <a href="#">reference template</a> is available to show the required format.
✓	<b>Degree certificate(s)</b>	From first and subsequent degrees. We require colour scans of original documents and certified translations of documents issued in any language other than English.
✓	<b>Academic transcripts</b>	From first and subsequent degrees. We require colour scans of original documents and certified translations of documents issued in any language other than English.  Transcripts must list all subjects taken and grades achieved to date, with the grade scale clearly displayed in the transcript. Applicants must clearly state their current average grade in the online application form.
✓	<b>Personal statement:</b>	Personal statements should highlight the motivation for applying for the course, and any relevant experience and/or skills.
✓	<b>English language certificates/other evidence</b>	All applicants are required to have reached the required profile level of English language as specified by the <a href="#">University's English Language Requirements Policy</a>
✓	<b>Curriculum Vitae (CV)</b>	CVs might include details of other relevant work experience and qualifications to support an application.

## Selection process

### Assessment of applications

All applicants are considered in line with the University's [Admissions Principles and Procedures Policy](#) and [Equality, Diversity and Inclusion policy](#). Once a complete application has been submitted with all required supporting documents, it is considered by at least two members of staff using the following criteria:

- Subject and level of first degree
- Motivation for applying (as assessed by their personal statement)
- References

### Interviews

Interviews do not form part of the selection process. However, we may interview applicants with non-standard qualifications or those with additional skills and experience to be considered as part of the application process.

### Decisions

Applicants will be notified by email when a decision has been made and decision letters will be available to view and print by logging into the application. If there is a deadline by which applicants must accept an offer of admission or pay a deposit, this will be stated in the offer letter.

### Offers

Offers will typically be made in line with the academic requirements set out above.

Offers made may be conditional or unconditional. An unconditional offer will be made to applicants who have already met the conditions and provided evidence that conditions have been met. Where academic or language requirements have not yet been fulfilled, applicants will receive a conditional offer outlining the requirements that must be met.

If an applicant is not selected to receive an offer for the course to which they have originally applied, we may offer the opportunity to be considered for an alternative programme in a related subject area. In such cases applicants will receive an email notification providing any alternative course options and asking whether they wish to be considered for these. It may be necessary for applicants to submit additional documentation in order for the application to be fully considered for an alternative programme. Details of the documentation required can be found in the admissions statement for the relevant programme.

### Deferrals

This programme does not normally allow deferrals unless there are exceptional circumstances. Please contact [molneuro-msc@bristol.ac.uk](mailto:molneuro-msc@bristol.ac.uk) if you would like to discuss the possibility of deferring your start date.

## Additional information

### Extenuating circumstances

If your education has been significantly disrupted through health or personal problems, disability or specific difficulties within your studies, you can submit an [extenuating circumstances](#) form as part of your application.

The information provided will be treated confidentially and will help us to assess your academic performance fairly considering your circumstances.

### Academic Technology Approval Scheme (ATAS)

An ATAS certificate is not required for this programme.
