Postgraduate Blog

Our postgraduate blog is written by current staff and students and offers a great insight into all aspects of postgraduate life at Bristol. https://postgraduate.blogs.bristol.ac.uk

It all starts with a click...

How to make the most of your time at our open weeks:

1. Sign up to your subject area/s webinar.

- Select postgraduate taught study or postgraduate research.
- Select subject webinars and search for your subject area/s.
- Register for the live webinar and submit your questions in advance.
- Add the confirmation to your calendar to help plan your day.
- You can book a place on multiple webinars.

Book your place on subject area/s webinars

2. Sign up to our student life webinars to learn more about funding, admissions, support and accommodation.

- Select postgraduate taught study or postgraduate research.
- Select student life and select your chosen webinar/s.
- Register for the student life live webinar and submit your questions in advance.
- Add the confirmation to your calendar to help plan your day.
- You can book a place on multiple webinars.

Book your place on student life webinars

• There's no need to book. You have the flexibility to 'drop-in' to a live chat before or after any subject or student life webinar. Links to our chats will go live each day, please see our webpages for full list.

4. Explore our 360 virtual tour of the University of Bristol.

- Take in our historic buildings and outstanding sporting facilities.
- Get to know the University buildings and their proximity to Bristol's beautiful parks, harbourside, independent cafes, shops and bars.
- Investigate the local transport links.
 The central bus station and Bristol Temple
 Meads train station are within walking
 distance of the heart of our University.

5. On-demand recordings.

- We'll be uploading recordings of the webinars to our event pages the next day, allowing you to catch up on anything you miss.
- If you're interested in more than one subject area or your sessions clash, this will allow you to explore all your options and discover what Bristol has to offer.

POSTGRADUATE VIRTUAL OPEN WEEKS 2020 POSTGRADUATE VIRTUAL OPEN WEEKS 2020

Postgraduate taught programmes, 16-20 November

You can find out more information about each webinar on our event webpages.

Please click on each webinar link to book your place and go to page 15 for <u>student life and central</u> services webinars.

Webinar	Time (GMT)	Programmes represented
Monday 16 November - Faculty of Arts		
Innovation and Entrepreneurship	8:30 to 9:30 am	MSc Innovation and Entrepreneurship
Comparative Literature and Translation	9 to 10 am	MA Chinese-English Audiovisual Translation; MA Chinese-English Translation; MA Comparative Literatures and Cultures; MA/PG DIP Translation
Admissions - Application Top Tips	9:15 to 10:15am	Admissions share their top tips and explain the application process.
Music	10 to 11:00 am	MA Music; MA Composition for Film and Television
Accommodation	10:30 to 11:30 am	Explore your accommodation options.
Student Funding Explained	10:45 to 11:45 am	Discover the different sources of funding available to you.
Film and Television	11:30 am to 12:30 pm	MA Film and Television
Careers Service and Employability	12 to 12:30 pm	How our Careers Service can help you boost your employability.
Student Support and Wellbeing	12 to 12:30 pm	Thrive during your postgraduate study. Familiarise yourself with the support on offer at Bristol.
English and Creative Writing	1 to 2 pm	MA Creative Writing; MA English Literature
Black Humanities and Migration and Mobility Studies	1 to 2 pm	MA Black Humanities; MSc Migration and Mobility Studies
History	1 to 2 pm	MA History
History of Art	2:30 to 3:30 pm	MA History of Art
Anthropology	2:30 to 3:30 pm	MA Anthropology

Comparative Literature and Translation	2:30 to 3:30 pm	MA Chinese-English Audiovisual Translation; MA Chinese-English Translation; MA Comparative Literatures and Cultures; MA/PG DIP Translation
Philosophy	4 to 5 pm	MA/PG Dip Philosophy; MA Logic and Philosophy of Mathematics; MA Philosophy and History of Science; MA Philosophy of Biological and Cognitive Sciences; MA Philosophy of Physics
Religion and Medieval Studies	4 to 5 pm	MA Religion; MA Medieval Studies
Film and Television	5:15 to 6:15 pm	MA Film and Television
Innovation and Entrepreneurship	5:30 to 6:30 pm	MSc Innovation and Entrepreneurship
Tuesday 17 November -	Faculties of Life Science	es and Science
International Scholarships	8:30 to 9:30 am	Discover what scholarships are available to international students at Bristol.
Biological and Biomedical Sciences	9 to 10 am	MSc Bioinformatics; MSc Biomedical Sciences Research
Mathematics	9 to 10 am	MSc Mathematical Sciences; MSc Mathematics of Cybersecurity
Accommodation	10 to 11 am	Explore your accommodation options.
Experimental Psychology (Conversion)	11 am to 12pm	MSc Experimental Psychology (Conversion)
Material Science and Nuclear Science	12:15 to 1:15 pm	MSc Nanoscience and Functional Nanomaterials; MSc Nuclear Science and Engineering
Biological and Biomedical Sciences	12:30 to 1:30pm	MSc Bioinformatics; MSc Biomedical Sciences Research
Neuropsychology (Applied and Clinical programmes)	12:30 to 1:30 pm	MSc/PG Dip Applied Neuropsychology (Distance Learning); MSc/PG Dip Applied Neuropsychology; MSc/PG Dip/PG Cert Clinical Neuropsychology; PG Cert Clinical Neuropsychology Practice; PG Dip Theoretical and Practical Clinical Neuropsychology
Earth Sciences	2 to 3 pm	MSc Palaeobiology; MSc Volcanology
Human Geography	2:15 to 3:15 pm	MRes Advanced Quantative Methods; MSc Human Geography: Society and Space
Mathematics	2:15 to 3:15 pm	MSc Mathematical Sciences; MSc Mathematics of Cybersecurity
Experimental Psychology (Conversion)	4 to 5 pm	MSc Experimental Psychology (Conversion)

Seegraphy: Environment, Policy Environment, Policy Environment, Policy and Climate Change Science and Policy; MSc Environmental Policy and Management.			
Public Health and Epidemiology 8 to 9 am MSc Epidemiology; MSc Public Health Digital Health 8 to 9 am MSc Digital Health Civil Engineering 9 to 10 am MSc Earthquake Engineering and Infrastructure Resilience; MSc Water and Environmental Management Electrical and Electronic Engineering with Communications 9 to 10 am MSc Advanced Microelectronic Systems Engineering; MSc Communication Networks and Signal Processing; MSc Moreless Communications and Signal Processing; MSc Optical Communications and Signal Processing; MSc Optical Communications and Signal Processing; MSc Wireless Communications and Signal	Environment, Policy	4 to 5 pm	
Digital Health	Wednesday 18 November - Faculties of Engineering and Health Sciences		
Civil Engineering 9 to 10 am MSc Earthquake Engineering and Infrastructure Resilience; MSc Water and Environmental Management MSc Advanced Microelectronic Systems Engineering; MSc Communication Surgarian Processing; MSc Communication Surgarian Processing; MSc Optoelectronic and Video Communications and Signal Processing; MSc Optoelectronic and Quantum Technologies; MSc Optoelectronic and Quantum Technologies; MSc Wireless Communications and Signal Processing; MSc Optoelectronic and Quantum Technologies; MSc Wireless Communications and Signal Processing. MSc Optoelectronic and Quantum Technologies; MSc Wireless Communications and Signal Processing. MSc Optoelectronic and Quantum Technologies; MSc Wireless Communications and Signal Processing. MSc Optoelectronic and Quantum Technologies; MSc Wireless Communications and Signal Processing. MSc Optoelectronic and Quantum Technologies; MSc Wireless Communications and Signal Processing. MSc Optoelectronic and Quantum Technology and Data Science 11 am to 12 pm MSc Engineering with Management MSc Aerial Robotics; MSc Biorobotics; MSc Biorobotics; MSc Engineering Mathematics; MSc Robotics 12 and Data Science 12:30 to 1:30 pm MSc Data Science; MSc Financial Technology and Data Science 12 and Dental Science 12:30 to 1:30 pm MSc Periodontology; MSc Dental Implantology; MSc Oral Medicine; PG Cert Clinical Conscious Sedation and Anxiety Management; PG Cert Clinical Oral Surgery; DDS Orthodontics in Dental Surgery; DS Or		8 to 9 am	MSc Epidemiology; MSc Public Health
Electrical and Electronic Engineering with Communications Data Science 10:30 to 11:30 am Engineering with Management MSc Advanced Microelectronic Systems Engineering; MSc Communication Networks and Signal Processing; MSc Unage and Video Communications and Signal Processing; MSc Optical Communications and Signal Processing; MSc Optical Communications and Signal Processing; MSc Wireless Communications and Signal Processing; MSc Wireless Communications and Signal Processing. MSc Data Science; MSc Financial Technology and Data Science Computer Science 10:30 to 11:30 am MSc Computer Science (Conversion) Engineering with Management Engineering Mathematics and Robotics Data Science 11:30 to 1:30 pm MSc Aerial Robotics; MSc Biorobotics; MSc Engineering Mathematics; MSc Robotics Data Science 12:30 to 1:30 pm MSc Data Science; MSc Financial Technology and Data Science Oral and Dental Science 12:30 to 1:30 pm MSc Periodontology; MSc Dental Implantology; MSc Oral Medicine; PG Cert Clinical Conscious Sedation and Anxiety Management; PG Cert Clinical Oral Surgery; DDS Orthodontics in Dental Surgery Biomedical Engineering Computer Science 2 to 3 pm MSc Biomedical Engineering MSc Computer Science (Conversion) MSc Earthquake Engineering and Infrastructure Resilience; MSc Water and Environmental Management MSc Advanced Composites	Digital Health	8 to 9 am	MSc Digital Health
Electronic Engineering with Communications Engineering; MSc Communication Networks and Signal Processing; MSc Image and Video Communications and Signal Processing; MSc Optical Communications and Signal Processing; MSc Optical Communications and Signal Processing; MSc Optical Communications and Signal Processing. Data Science 9:30 to 10:30 am MSc Data Science; MSc Financial Technology and Data Science Computer Science 10:30 to 11:30 am MSc Computer Science (Conversion) Engineering with Management 11 am to 12 pm MSc Aerial Robotics; MSc Biorobotics; MSc Engineering Mathematics and Robotics Data Science 12:30 to 1:30 pm MSc Data Science; MSc Financial Technology and Data Science Oral and Dental Science 12:30 to 1:30 pm MSc Periodontology; MSc Dental Implantology; MSc Oral Medicine; PG Cert Clinical Conscious Sedation and Anxiety Management; PG Cert Clinical Oral Surgery; DDS Orthodontics in Dental Surgery Biomedical Engineering 12:30 to 1:30 pm MSc Biomedical Engineering MSc Computer Science (Conversion) MSc Biomedical Engineering Computer Science 2 to 3 pm MSc Computer Science (Conversion) MSc Earthquake Engineering and Infrastructure Resilience; MSc Water and Environmental Management MSc Advanced Composites	Civil Engineering	9 to 10 am	Infrastructure Resilience; MSc Water and
Computer Science 10:30 to 11:30 am MSc Computer Science (Conversion) Engineering with Management 11 am to 12 pm MSc Engineering with Management 11 am to 12 pm MSc Aerial Robotics; MSc Biorobotics; MSc Biorobotics; MSc Engineering Mathematics and Robotics Data Science 12:30 to 1:30 pm MSc Data Science; MSc Financial Technology and Data Science Oral and Dental Science 12:30 to 1:30 pm MSc Periodontology; MSc Dental Implantology; MSc Oral Medicine; PG Cert Clinical Conscious Sedation and Anxiety Management; PG Cert Clinical Oral Surgery; DDS Orthodontics in Dental Surgery Biomedical Engineering Computer Science 2 to 3 pm MSc Biomedical Engineering and Infrastructure Resilience; MSc Water and Environmental Management Aerospace and Mechanical MSc Advanced Composites	Electronic Engineering	9 to 10 am	Engineering; MSc Communication Networks and Signal Processing; MSc Image and Video Communications and Signal Processing; MSc Optical Communications and Signal Processing; MSc Optoelectronic and Quantum Technologies; MSc Wireless Communications
Engineering with Management Engineering Mathematics and Robotics Data Science 12:30 to 1:30 pm MSc Periodontology; MSc Dental Implantology; MSc Oral Medicine; PG Cert Clinical Conscious Sedation and Anxiety Management; PG Cert Clinical Oral Surgery; Biomedical Engineering Computer Science 2 to 3 pm MSc Engineering with Management MSc Aerial Robotics; MSc Biorobotics; MSc Engineering Mathematics; MSc Robotics MSc Data Science; MSc Financial Technology and Data Science MSc Periodontology; MSc Dental Implantology; MSc Oral Medicine; PG Cert Clinical Conscious Sedation and Anxiety Management; PG Cert Clinical Oral Surgery; DDS Orthodontics in Dental Surgery MSc Biomedical Engineering Computer Science 2 to 3 pm MSc Computer Science (Conversion) MSc Earthquake Engineering and Infrastructure Resilience; MSc Water and Environmental Management Aerospace and Mechanical MSc Advanced Composites	Data Science	9:30 to 10:30 am

Mechanical	Civil Engineering	2 to 3 pm	Infrastructure Resilience; MSc Water and
	Mechanical	2 to 3 pm	MSc Advanced Composites

Translational Health Sciences	3:30 to 4:30 pm	MRes Health Sciences Research (Renal); MRes Health Sciences Research (Translational Cardiovascular Medicine); MRes Health Sciences Research; MSc Molecular Neuroscience; MSc Perfusion Science; MSc Reproduction and Development; MSc Stem Cells and Regeneration; MSc Translational Cardiovascular Medicine
Electrical and Electronic Engineering with Communications	3:30 to 4:30 pm	MSc Advanced Microelectronic Systems Engineering; MSc Communication Networks and Signal Processing; MSc Image and Video Communications and Signal Processing; MSc Optical Communications and Signal Processing; MSc Optoelectronic and Quantum Technologies; MSc Wireless Communications and Signal Processing
Engineering Mathematics and Robotics	3.30 to 4.30 pm	MSc Aerial Robotics; MSc Biorobotics; MSc Engineering Mathematics; MSc Robotics
Public Health and Epidemiology	5 to 6 pm	MSc Epidemiology; MSc Public Health
Engineering with Management	5 to 6 pm	MSc Engineering with Management
Teaching and Learning for Health Professionals and Healthcare Studies	7 to 8 pm	PG Cert Healthcare Improvement; MSc Healthcare Management; MSc/PG Cert/PG Dip Teaching and Learning for Health Professionals
Veterinary Sciences	7 to 8 pm	MSc Global Wildlife Health and Conservation and BVSc Veterinary Science (AGEP)
Thursday 19 November	- Faculty of Social Scien	ces and Law
Policy Studies and Migration and Mobility Studies	8:30 to 9:30 pm	MSc Disability Studies: Inclusive Theory & Research; MSc Policy Research; MSc Public Policy; MSc Migration and Mobility Studies; MSc Social Work Research
Teaching English to Speakers of Other Languages	9 to 10 pm	MSc Teaching English to Speakers of Other Languages (TESOL)
International Relations, Security and Politics	9 to 10 pm	MSc Development and Security; MSc International Relations; MSc International Security; MRes Security, Conflict and Human Rights; MSc Europe and Global Governance; MSc Gender and International Relations; MSc Social Sciences Research Methods (Politics)
Global Lounge and Student Life	10:30 to 11:30 pm	Celebrating the cultural diversity of our community, the Global Lounge runs events for all students and staff.
International Development Studies	10:30 to 11:30 pm	MSc East Asian Development and the Global Economy; MSc International Development

Education	10:30 to 11:30 pm	MSc Education (Inclusive Education); MSc Education (Leadership and Policy); MSc Education (Learning, Technology and Society); MSc Education (Mathematics Education); MSc Education (Neuroscience and Education); MSc Education (Open Pathway); MSc Education (Policy and International Development); MSc Education (Teaching and Learning); MSc Educational Research; MSc Psychology of Education BPS
Sociology programmes	12:00 to 13:00 pm	MSc Contemporary Identities; MSc Ethnicity and Multiculturalism; MSc Social and Cultural Theory; MSc Social Science Research Methods (Sociology); MSc Sociology
Social Work	12 to 1 pm	MSc Social Work
Nutrition, Physical Activity and Public Health; Health and Wellbeing	12 to 1 pm	MSc Nutrition, Physical Activity and Public Health; MRes Health and Wellbeing
Policy Studies and Migration and Mobility Studies	1:30 to 2:30 pm	MSc Disability Studies: Inclusive Theory & Research; MSc Policy Research; MSc Public Policy; MSc Migration and Mobility Studies; MSc Social Work Research
Education	1:30 to 2:30 pm	MSc Education (Inclusive Education); MSc Education (Leadership and Policy); MSc Education (Learning, Technology and Society); MSc Education (Mathematics Education); MSc Education (Neuroscience and Education); MSc Education (Open Pathway); MSc Education (Policy and International Development); MSc Education (Teaching and Learning); MSc Educational Research; MSc Psychology of Education BPS
International Relations, Security and Politics	13:30 to 14:30 pm	MSc Development and Security; MSc International Relations; MSc International Security; MRes Security, Conflict and Human Rights; MSc Europe and Global Governance; MSc Gender and International Relations; MSc Social Sciences Research Methods (Politics)
International Development Studies	3 to 4 pm	MSc East Asian Development and the Global Economy; MSc International Development
Teaching	3 to 4 pm	Postgraduate Certificate in Education (Biology); Postgraduate Certificate in Education (Chemistry); Postgraduate Certificate in Education (English); Postgraduate Certificate in Education (Geography); Postgraduate Certificate in Education (History); Postgraduate Certificate in Education (Mathematics); Postgraduate Certificate in Education (Modern Foreign Languages); Postgraduate Certificate in Education (Music); Postgraduate Certificate in Education (Physics); Postgraduate Certificate in Education (Religious Education)

Professional Liaison Network (Mentoring for MSc Banking, Regulation and Financial Stability, MSc Psychology of Education and MSc Public Policy)	3 to 4 pm	Find out how Social Sciences and Law students and staff are connected with people and organisations related to their academic disciplines.
Become a Better Leader with the Part-time Executive MSc Strategy, Change and Leadership!	6:30 to 7:30 pm	MSc Strategy Change and Leadership
Friday 20 November - Fa	aculty of Social Sciences	and Law
Banking, Finance and Investment	9 to 10 am	MSc Banking, Regulation and Financial Stability; MSc Finance and Investment
Economics	9 to 10 am	MSc Economics; MRes Economics; MSc Economics and Finance; MSc Economics, Finance and Management
Business Analytics and Global Operations	9 to 10 am	MSc Business Analytics, MSc Global Operations and Supply Chain Management, MSc Management (Digitisation and Big Data)
Management and Business	10:30 to 11:30 am	MSc Management; MSc Management (Entrepreneurship and Innovation); MSc Management (International Business); MSc Management (Marketing); MSc Management (Project Management); MSc Management (Corporate Social Responsibility and Sustainability); MSc Management (Digitisation and Big Data); MSc Management (International Human Resource Management); MSc Social Science Research Methods (Management)
Accounting and Finance	10:30 to 11:30 am	MSc Accounting and Finance; MSc Accounting, Finance and Management
Law (LLM)	10:30 to 11:30 am	LLM Law - Banking and Finance Law; LLM Law - Commercial Law; LLM Law - Company Law and Corporate Governance Law; LLM Law - Employment, Work and Equality Law; LLM Law - European Legal Studies Law; LLM Law - General Legal Studies Law; LLM Law - Health, Law, and Society Law; LLM Law - Human Rights Law; LLM Law - International Commercial Law; LLM Law - International Law and International Relations Law; LLM Law - International Law; LLM Law - Labour Law and Corporate Governance Law; LLM Law - Law and Globalisation Law; LLM Law - Public Law
Admissions - Top Tips	12 to 1 pm	Admissions share their top tips and explain the application process.
Law (MA and MSc)	12:30 to 1:30 pm	MA Law; MSc Socio-Legal Studies
Marketing	12:45 to 1:45 pm	MSc Marketing; MSc Management (Marketing)

9

Human Resource Management	1:15 to 2:15 pm	MSc Human Resources Management and the Future of Work, MSc Management (International HRM)
Law (LLM)	2 to 3 pm	LLM Law - Banking and Finance Law; LLM Law - Commercial Law; LLM Law - Company Law and Corporate Governance Law; LLM Law - Employment, Work and Equality Law; LLM Law - European Legal Studies Law; LLM Law - General Legal Studies Law; LLM Law - Health, Law, and Society Law; LLM Law - Human Rights Law; LLM Law - International Commercial Law; LLM Law - International Law and International Relations Law; LLM Law - International Law; LLM Law - Labour Law and Corporate Governance Law; LLM Law - Law and Globalisation Law; LLM Law - Public Law
Economics	2:15 to 3:15 pm	MSc Economics; Mres Economics; MSc Economics and Finance; MSc Economics, Finance and Management
Social Sciences interdisciplinary programmes: Global Political Economy; Human Geography: Society and Space; Sustainable Futures	2:15 to 3:15 pm	MRes Global Political Economy; MSc Human Geography: Society and Space; MRes Sustainable Futures
Accounting and Finance	3:30 to 4:30 pm	MSc Accounting and Finance; MSc Accounting, Finance and Management

"Bristol is a dynamic, fun city and this year has shown me the plethora of opportunities and experiences that await when I expand my scope beyond home."

Michael Donatti, MSc Environmental Policy and Management

POSTGRADUATE VIRTUAL OPEN WEEKS 2020 POSTGRADUATE VIRTUAL OPEN WEEKS 2020 13

Postgraduate research, 23-27 November

Please click on each webinar link to book your place and go to page 15 for student life and central services webinars.

Webinar	Time (GMT)
Monday 23 November - Faculty of Arts	Time (GMT)
How to make the best postgraduate research application to the Faculty of Arts	9 to 10 am
Perspectives from current Arts postgraduate researchers - a student panel	10:45 to 11:45 am
Research in the Faculty of Arts	12:30 to 1:30 pm
South West and Wales Doctoral Training Partnership	4 to 5 pm
Cabot Institute Global Environmental Challenges MScR, Brigstow Institute, Bristol Digital Futures Institute, Jean Golding Institute for Data Intensive Research, Elizabeth Blackwell Institute for Health Research	4 to 5 pm
Tuesday 24 November - Faculty of Social Sciences and Law	
How to make the best postgraduate research application to the Faculty of Social Sciences and Law	9 to 10 am
Perspectives from current Social Sciences and Law postgraduate researchers - a student panel	10:30 to 11:30 am
Social Sciences and Law Research	12:30 to 1:30 pm
Applying for an ESRC Scholarship through the South West Doctoral Training Partnership	2 to 3 pm
Bristol Poverty Institute	2:15 to 3:15 pm
Doctorate in Educational Psychology and PhD in the School for Policy Studies	2 to 3pm
Cabot Institute Global Environmental Challenges MScR, Brigstow Institute, Bristol Digital Futures Institute, Jean Golding Institute for Data Intensive Research, Elizabeth Blackwell Institute for Health Research	3:30 to 4:30 pm
Migration Mobilities Bristol	3:45 to 4:45 pm
Wednesday 25 November - Faculty of Science	
How to make the best STEM application for a postgraduate research degree	9 to 10 am

Perspectives from current Science postgraduate researchers - a student panel	10:30 to 11:30 am
Quantum Engineering Centre for Doctoral Training (EPSRC)	11 am to 12 pm
Cabot Institute Global Environmental Challenges MScR	11 am to 12 pm
Nuclear Energy Futures Centre for Doctoral Training (EPSRC)	11:30 am to 12:30 pm
Bristol Quantum Information Institute	12:30 to 13:30 pm
<u>Technology Enhanced Chemical Synthesis Centre for Doctoral Training (EPSRC)</u>	1 to 2 pm
Research Opportunities in the School of Physics	1 to 2pm
Aerosol Science Centre for Doctoral Training (EPSRC)	2 to 3 pm
Cabot Institute Global Environmental Challenges MScR, Brigstow Institute, Bristol Digital Futures Institute, Jean Golding Institute for Data Intensive Research, Elizabeth Blackwell Institute for Health Research	3:30 to 4:30 pm
NERC GW4 + Doctoral Training Partnership	4 to 5 pm
Computational Statistics and Data Science: COMPASS Centre for Doctoral Training (EPSRC) and Mathematics PhD	4 to 5 pm
Thursday 26 November - Faculty of Engineering	
How to make the best STEM application for a postgraduate research degree	9 to 10 am
Perspectives from current Engineering postgraduate researchers - a student panel	10:30 to 11:30 am
Cabot Institute Global Environmental Challenges MScR, Brigstow Institute, Bristol Digital Futures Institute, Jean Golding Institute for Data Intensive Research, Elizabeth Blackwell Institute for Health Research	11:30 am to 12:30 pm
Research in the Faculty of Engineering	11:30 to 12:30 pm
Digital Health and Care Centre for Doctoral Training (EPSRC)	12:30 to 13:30 pm
Composites Science, Engineering and Manufacturing Centre for Doctoral Training (EPSRC)	1 to 2pm
Aerosol Science Centre for Doctoral Training (EPSRC)	2 to 3 pm
Bristol Quantum Information Institute	2:30 to 3:30 pm
Interactive Artificial Intelligence UKRI Centre for Doctoral Training (EPSRC)	2:30 to 3:30 pm
<u>Trust, Identity, Privacy and Security in Large-scale Infrastructures</u> (TIPS-at-Scale) Centre for Doctoral Training (EPSRC)	3:30 to 4:30 pm
<u>Future Autonomous Robotic Systems (FARSCOPE) Centre for Doctoral Training (EPSRC)</u>	4 to 5 pm
Future Innovation in Non-Destructive Evaluation (FIND) Centre for Doctoral Training (EPSRC)	4 to 5 pm

Friday 27 November - Faculties of Health Sciences and Life Sciences	
How to make the best STEM application for a postgraduate research degree	9 to 10 am
Perspectives from current Health Sciences and Life Sciences postgraduate researchers - a student panel	10:30 to 11:30 am
Research in the Faculty of Life Sciences	11:30 am to 12:30 pm
Research in the Faculty of Health Sciences	11:45 am to 12:45pm
Life Sciences Master's by Research (MScR)	1 to 2 pm
South West Biosciences (SW Bio) Doctoral Training Partnership (BBSRC)	1:30 to 2:30 pm
MRC GW4 Bio Med Doctoral Training Partnership	2:30 to 3:30 pm
Population Health Sciences, Wellcome Trust, Molecular, Genetic and Lifecourse Epidemiology	3:15 to 4:15pm
<u>Translational Health Sciences</u>	4 to 5 pm
PhD Dynamic Molecular Cell Biology (Wellcome Trust)	4:15 to 5:15 pm

Watch on demand

You can also watch these webinars on demand throughout our open weeks to catch up on anything you miss! Webinars will typically be available the day after the live event.

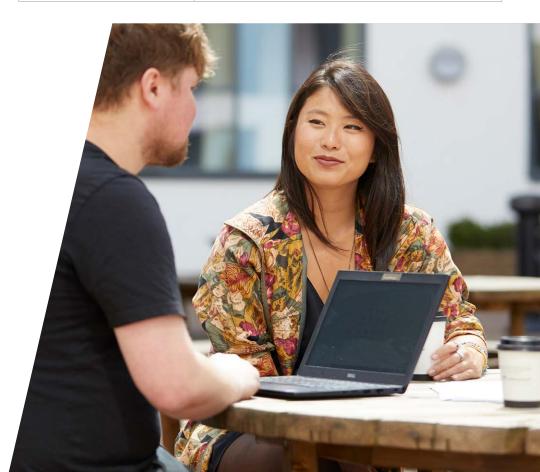

Supporting you during your studies

The decision to continue your education at postgraduate level comes with many considerations. Our support services, both personal and professional, can help you throughout the application process and during your time studying here. We want you to make the most of your time and get familiar with the services that we offer to support you.

For more information, please visit our student life webpages bristol.ac.uk/study/postgraduate/student-life/

Book onto our live student life webinars for more information:

Webinar	Time (GMT)
Admissions Top Tips	Monday, 16 November, 9.15am and Friday, 20 November, 12.00pm
Accommodation	Monday, 16 November, 10.30 am and Tuesday, 17 November, 10.00am
Student Funding Explained	Monday, 16 November, 10.45am
International Scholarships	Tuesday, 17 November, 8.30am
Student Support and Wellbeing	Monday, 16 November, 12.00pm
Careers Services	Monday, 16 November, 12.00pm
Global Lounge and Student Life	Thursday, 19 November, 10.30am
Professional Liaison Network	Thursday, 19 November 3.00pm

What our students say

Talk to our current postgraduate students during the daily live chats. They will share their experiences of postgraduate study at Bristol and you can ask the questions that matter to you.

There's no need to book. The 'drop-in' chats will go live as part of the scheduled events. Visit our website for more information and to join a live chat.

'I would recommend this course. The content is interesting and challenging, taught enthusiastically by experts in the field.'
Claire Kelly, MSc Public Health

'The student support I have seen here is totally overwhelming. It's not just the academics or the professors; the entire team works coherently with the sole aim of ensuring that the student has a meaningful learning experience.'

Siddarth Bose, MSc Education (Teaching and Learning)

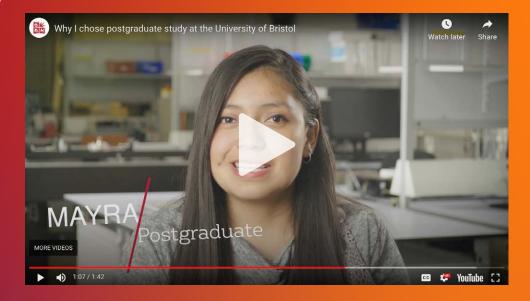

'The University of Bristol is a really great place to be: with knowledgeable and helpful lecturers and a good environment, located in a vibrant city. Not forgetting it is one of the best universities in the UK.'

Docia Agyemang Boakye, LLM International Law and International Relations

Discover why our current postgraduate students chose to study at Bristol.

World-leading research and teaching excellence at Bristol

We're proud of our established record of producing groundbreaking research that makes an impact on society at local, national and international levels.

By starting your research career at Bristol, you'll join a community of around 3,500 postgraduate researchers (PGRs) from all over the world.

Bristol Doctoral College

The Bristol Doctoral College (BDC) supports the growth of our postgraduate research community, enabling you to thrive during your degree and beyond.

As well as keeping our PGRs up to date with training, opportunities and events, the BDC organises a programme of workshops, seminars and online resources to support you at every stage of your research degree.

Your research in the spotlight

The BDC coordinate 'Research without Borders', an annual celebration of the pioneering work of our postgraduate researchers, and 'Three Minute Thesis', a competition which challenges researchers to deliver a spoken presentation on their research topic in three minutes.

Join a vibrant community

The PGR Hub is a space in the centre of the campus dedicated to our postgraduate research community. Here you can meet with other researchers, grab a coffee, or attend events. The BDC also runs online events for those who aren't able to join us on campus.

Did you know?

- Bristol is a top five UK university for research (THE analysis of REF 2014).
- We received the HR excellence in Research award in 2010, and successfully retained it in 2015. This demonstrates our commitment to the career development of our employed researchers.
- Bristol has one of the largest concentrations of funding and support for doctoral research and training in the UK sector. There are more than 300 PhD studentships available each year across the whole spectrum of Bristol research.
- In early 2019, the Engineering and Physical Sciences Research Council (EPSRC) awarded Bristol nine Centres for Doctoral Training (CDTs)- the highest number awarded to any university in the country.
- Our seven Specialist Research Institutes reflect the strength and depth in key specialisms, from composites to migration. The five University Research Institutes draw together multidisciplinary research on the environment, health, digital futures, ways of living and data. Visit <u>bristol.ac.uk/research/institutes</u> to explore their work.

POSTGRADUATE VIRTUAL OPEN WEEKS 2020 POSTGRADUATE VIRTUAL OPEN WEEKS 2020 21

virtual tour.

Explore our city and University

Explore our campus of historic and state-ofthe-art buildings, from anywhere in the world, using our <u>360 virtual tour</u>.

The 360 virtual tour allows you to discover the beautiful parks, harbourside, independent cafes, shops and bars that are within walking distance of your school, lecture theatres, libraries, sporting facilities and study spaces. You can also investigate the local transport links, including the central bus station and Bristol Temple Meads train station within walking distance of the heart of our University.

Get to know our city

With its lively music and arts scenes, enticing places to eat and drink, fantastic range of shops, active sports clubs and relaxing green spaces, Bristol has something for everyone. You're never short of something to do here, whether it's admiring iconic landmarks such as the Clifton Suspension Bridge and SS Great Britain, or browsing our fascinating museums and art galleries. For more information on what the city has to offer, talk to our postgraduate students during the live chats running throughout the open weeks.

The city of Bristol has been named...

- Coolest UK city (Rough Guides 2017)
- Best place to live in the UK (Sunday Times 2017)
- Best place to live outside of London (for under 26s, BBC 2019)
- Kindest city (52 lives/Gala Bingo 2019)
- Most eco-friendly city in the UK (Good Move 2020)
- · World Vegan capital (Chef's Pencil website, 2018)
- Best UK city for student life (WhatUni 2015)

How do I apply?

1. Choose your programme.

Browse our online **programme finder** or pick up a prospectus.

2. Check your eligibility.

Review our entry requirements and application deadlines for each programme at bristol.ac.uk/pg-study

3. Explore your funding options.

Check <u>bristol.ac.uk/fees-funding/search</u> for the awards, bursaries and scholarships open to postgraduate students.

4. Discover Bristol.

Explore our <u>360 tour</u> and investigate the University's historic buildings, outstanding facilities and their proximity to the City of Bristol's beautiful parks, harbourside, independent cafes, shops and bars.

5. Apply online.
